All Soy-Based Inks on Archivable, Acid-Free, 100% Recycled Card Stock

Made in USA

Our cards consistently outsell all other cards in every store where we have a rack!

We have stores that consistently sell \$600 retail every month, with 24-fill racks!

One of our stores with a 56 fill rack sells \$1200 retail every month of the year! Month after month, we are their top selling gift item!

These well-proven sellers are created as paintings, drawings, and sculpture and fine art photographs, bringing more depth and interest to the card than possible with only graphics design.

We are artists first, ourselves, and bring artist sensibilities to all our cards.

Our cards are suitable for framing, which many people do. Many collect the cards and fall in love with an artist's work, also buying art prints and originals from the artists.

Art Prints are available in three sizes, framed and matted.

Wholesale Prices:

5x7 framed card: \$12.50

5x7 art print: \$25.00

SUPPORT OUR CA ARTISTS!

All our artworks are created by our group of 39 gifted California Artists and counting,

We strive to promote the work and support the success of all participating artists:

- * by increasing their visibility and recognition not only through the cards themselves, but also

- * by providing each artist a web page in our web gallery, including links and announcements,

- * by promoting the purchase of artprints and originals from the artists.

- * by providing website and graphics work for our artists for no charge or for nominal fees.

- * by inviting all participating artists to own shares in the company.

- * We are happy to add artists that you request, as long as they fit our line with a positive message or attitude.
